Newcomer Tour

Call 322-3630 if you would like a tour of the Senior Center and to

learn about our programs and activities. This tour is for new members or those who have not been very active but

want to find out more about the Center.

Hi All~

One of the fun things that I get to do as part of my job is to give tours of The Center to people who want to learn more about us and what we do. As part of that tour, I always talk about the unique partnership that has allowed The Center to grow and flourish. In case you haven't had my tour, I figured that I would share that information here as well.

The Fond du Lac Senior Center is part of the Community Development Department of the City of Fond du Lac. We are considered to be a part of the "Parks, Culture & Recreation" opportunities that the City offers to residents of Fond du Lac and the surrounding area. The City provides us with our beautiful building along with 4 staff people and the dollars to support the building and part of the operations of The Center.

Another part of this unique partnership is the Friends of the Fond du Lac Senior Center, Inc. organization. This non-profit corporation was formed in 1989 to support the operations of the Senior Center. The "Friends" are the group that you join when you become a "member" and your membership is vital to the success of The Center. The Friends provides 5 staff members and they do a LOT of fundraising to support all of the programming that we offer at The Center. They are governed by a 9 member Board of Directors who is very busy behind the scenes working with various committees and spearheading fund raising events.

While the City and the Friends each provide several paid staff people, our Center wouldn't be nearly as successful if it wasn't for the efforts of all of our volunteers. These are the people you see greeting visitors at the front desk, frying brats and burgers at the brat fry, setting up for dances and card games, inputting data into our database, and helping out wherever they are needed.

This is a wonderful, unique place that truly represents the good that can happen when groups work together. As Helen Keller said, "Alone we can do so little; together we can do so much." Come and be part of all of the good things going on here at The Center!

Good-bye and Best Wishes, Jean!

Jean Holzman's last day at the Senior Center was May 15th. As Wellness Coordinator, Jean made a difference in the lives of many seniors in our community. Thank you for all you've done here at the Senior Center. We wish you good health and happiness in your future endeavors!

Fundraisers

BRAT FRY THANK YOU

Thank you to everyone who helped make the Brat Fry fundraiser a success. It takes so many people to put this together! Special thanks to our brat fry committee, volunteers, everyone who came out and purchased brats and burgers. Together we raised over \$2,700!

REMEMBER TO BUY KWIK TRIP GIFT CARDS!

We are still selling Kwik Trip gift cards in our gift shop. Use them to purchase gas, milk, bread, bananas—almost everything

in the store! It's a great way to support the Center and it doesn't cost you anything extra.

The Niagara Escarpment:

An Ancient Treasure from Wisconsin's Tropical Seas

Wednesday, July 1 1:30 p.m.

Presented by Herman Bender

The Niagara escarpment is a huge, physical landscape feature composed of dolomite and limestone which surrounds the Michigan 'basin' of old and extends across seven states and lower

Canada. In eastern Wisconsin, it stretches from Door County to the state line. Named after the famous falls in New York, the geology and history encompass far more than seen by simply examining a map. Silurian in age (i.e. approximately 430,000,000 years old), fossil-rich parts of it once formed a fringing reef reminiscent of the Great

Barrier Reef by Australia. But, the Niagara escarpment is also a part of the broader cultural landscape where its natural attributes and the vistas afforded from its heights are something people have been aware of for thousands of years.

This Power Point presentation will be about one hour in length and features the escarpment units in Calumet, Fond du Lac and Dodge Counties.

This program was developed for the official Wisconsin State Resolution declaring 2010 *The Year of the Niagara Escarpment*.

Call 322-3640 to register.

Consumer Facts from the Bureau of Consumer Protection

Credit, ATM and debit cards are easy and convenient to use, but do you know what to do if your cards are lost or stolen?

To limit your liability, report the loss or theft of your cards to the card issuers as soon as possible. Under federal law, your maximum liability for the unauthorized use of your credit card is \$50. But if you report the card missing before they are used, you cannot be held responsible for any unauthorized charges.

In the case of missing or stolen ATM or debit cards, your liability depends on how soon you report the loss. If you report the card missing before it is used by a thief, you cannot be held responsible. If you report the card missing within 2 business days after the loss is discovered, you will not be liable for more than \$50 of the unauthorized use. However, if you fail to report the loss within 60 days after your bank statement containing the unauthorized use is mailed, you risk unlimited loss.

To provide the best protection against fraud, keep your cards secure and know where they are at all times. If you use a PIN, keep it secret and memorize it. For more information on this and other topics concerning seniors, go to http://datcp.wi.gov
